## Hotel/Motel Information

City Ordinance Number 7837 levies, an occupancy tax of 7% on any room or space furnished by any hotel or motel. The hotel occupancy tax is imposed against any person (including any corporation and any other legal entities) who either occupies or has the right to occupy the hotel room. Under the auspice of the hotel/motel definition, the following are also responsible for collecting the occupancy tax: any tourist home, tourist court, lodging house, inn, rooming house, bunk houses, residency inns, condominiums, cabins, cottages, or bed and breakfast. The occupancy tax is assessed against the use or the right to use a room that is ordinarily used for sleeping.

The occupancy taxes collected are only used to directly promote tourism and the hotel and convention industry. The expenditure must fit into one of the five following categories:

- Fund the establishment, improvement, or maintenance of a convention center or visitor information center.
- Pay the administrative costs for facilitating convention registration.
- Pay for tourism-related advertising and promotions of the City or its vicinity.
- Fund programs that enhance the arts.
- Fund historical restoration or preservation programs.

Some government agencies or employees are exempt from the hotel/motel occupancy tax. Federal government agencies or employees traveling on official United States government business are exempt from the occupancy tax.

Most State employees are **not exempt** from the occupancy tax. State employees who present a special Hotel Tax Exemption Photo ID or Tax Exemption Photo ID or Tax Exemption Card are exempt. State employees without the Hotel Tax Exemption Photo ID or Tax Exemption Card are **not exempt**. Diplomatic personnel of a foreign country who present a Tax Exemption Card issued

by the U.S. Department of State are also exempt from the City Hotel Occupancy Tax.

Permanent residents, hotel guests who notify the hotel in advance either in writing or verbally and occupy or have the right to occupy a room for at least **30 consecutive days**, are exempt from the City Occupancy Tax. The following are also **not exempt** from the City Occupancy Tax:

- City and County governments and their employees and
- Religious, educational, or charitable organizations

The following **are** subject to Hotel/Motel Tax:

- Pet charges
- Smoking fees

However, Damage fees **are not** subject to Hotel/Motel Tax.

Each establishment is required to obtain an Exemption Certificate at the time of registration and maintain the certificate on file in order to qualify for an exemption. If an exemption ID card is used, a copy of it must be on file.

Hotels may deduct 1% of the Tax Due for collecting timely filing of the quarterly reports and payment of the tax to the City of Midland. A hotel that fails to remit the correct hotel occupancy tax owed, by the last day of the month following the end of the quarter, may be subject to interest at 12% per annum. Any delinquent taxes/penalties will accrue interest at the rate of 12%. The City of Midland Finance Director is authorized to file a lien for any delinquent taxes/interest. In addition, the property owner may be liable for a penalty of 15%, cost of an audit, and any attorney fees incurred if suit is filed for collection.

**State and City occupancy tax requirements differ.**
